

Mansfield Youth Services would like to invite your child to participate in COPE, a positive youth development program for kids who have experienced changes such as a divorce, death in the family, a school transition, parent who is away (such as for military deployment), or who struggle making friends.

UConn Students will be available once a week during lunchtime to mentor any interested students.

If you have any questions regarding this program, or would like to have your child enrolled, feel free to contact Kathy McNamara, MSW at (860) 429-3318 or mcnamarakm@mansfieldct.org
